Initialization Stage

Like many skin specialsts, Doctor Allouche believes that the epidermis is central to skin care. It is the skin's outer layer and the ultimate barrier which protects the integrity of our inner world. The epidermis' noble functions must be respected and it should receive customized treatment applied accprding to a precise and rigorous ritual. At Biologique Recherche we believe this stage is essential.

▶ Cleansers

Eau Micellaire Biosensible

Removes make-up
and soothes

100mL

[How to use]
Take anappropriate amount on cotton and gently remove make up.

Solution Démaquillante pour les Yeux

Gently removes make-up
from the eye area

100mL

[How to use]
Please shake it well before use, apply the cleanser with cotton around the eyes and remove gently.

Lait S.R.

Cleanses and eliminates excess sebum on the skin's surface, leaving it healthy and more matte.

150mL

Lait VIP O2

Cleans and unifies skin exposed to harsh climates and/or pollution

150mL

Lait DERMO-S

Gently cleanses while soothing discomfort and helps reduce skin sensitivity and reactivityby improving skin barrier quality.

150mL

Lait E.V.

Cleans and moisturizes

150mL

[How to use]
Take an appropriate amount of the cleanser and gently apply to entire face, make a small circle gently. Rinse it with cold water.

▶ Lotions

Lotion P50T

Gently exfolites and balances the skin for fine Sensitive skin instants.

150mL

Lotion P50 PIGM400

Lightens the skin, reduces and prevents the dark spots

150mL

Lotion P50V

Gently exfolites
balances and tones the skin

150mL

Lotion P50

Gently exfolites and purifies the skin

150mL

[How to use]
After cleansing day night.
apply the lotion gently on the face with cottion.

L'Eauxygénante

Brightens the complexion
and prolongs make-up hold

50mL

[How to use]
To rehydrate the skin, before and/or after a cream or as a mist over make-up to brighten the complexion, to refresh instantly at any time the day.

▶ Masks

Masque Vivant

Brightens, tones and
refreshes the complexion

100mL

Biomagic Mask

Unifies and brightens
the complexion

100mL

Masque PIGM400

This sheet mask gives the skin more even tone, brightness and radiance

1 sheet

[How to use]
Remove the firm then put the mask on the face, leave for 20mins. Massage the leftover liquid into the skin.

Masque Bain de Plantes

Eliminates excess of sebum without irritating or dehydrating the skin

100mL

Masque VIP O2

Leaves the skin beautifully soft and glowing

100mL

Patchs Defatigants

The sheet eye patches reduce puffiness, gives younger looking around the eyes

2 patches x 1

[How to use]
Each patch is between a blueish sheet and a white nylon. Place patches on the contour of the eyes with the widest part below. Leave on for 15mins, remove the patches and massage the excess of serum.

Masque Visolastine Plus

Leaves the skin supple and
fresh and the complexion radiant

100mL

Masque Biofixine

Smoothes wrinkles and fine lines and unifies the complexion

100mL

Liftkiss

Liftkiss visibly smooths and plumps the lips and their contour immediately.

1 sheet

[How to use]
Open the sachet and remove the two non-woven films around the patch. Put the patch on the lips. Leave it for 20 minutes, remove the patch, and rub in any excess product by massaging the lips.

Masque Biosensible

Soothes,softens and brightens the skin

100mL

Masque Caviar Vert

Recommended for Skin Instants© showing signs of cutaneous aging

1 sheet

Platysma

This anti-ptosis chin mask gives "lifting" effect to tighten the skin.

1 sheet

[How to use]
Apply a thin layer of Masque all over the face, neck and cleavage. Leave for 15 to 20 minutes and rinse off. Can be used enery other day.

[How to use]
Open the sachet, fold the mask out flat with the tab on the top left. Place the upper slits on ears. Press the lower part against the chin then do the same with the lower slits. Leave on for 20 minutes. Remove and discard the mask.

Treatment Stage

During this stage, products containing the highest concentrations of active ingredients are applied to "recondition" the epidermis and help activate both its regenerative properties and those of the skin'sdeeper structures. The skin is a complex organ designed forprotection and communication that regenerates miraculously every month throughout our entire lives. The unique benefits of these cutting edge, customized skin care treatments are both immediate and lasting, even for particularly imbalanced "Skin Instant"

▶ Serums (Please use it within six months after the opening)
